

GLOVE SIZING CHART

GLOVE SIZE INDICATOR*

To ensure you get the right fit of glove for your hand, use this hand measurement guide to get an idea of the size glove that you need.

1 Place your right hand on the chart below

With straight fingers and your right index finger up against the yellow line.

2 Measure your hand width

The right edge of your hand indicates glove width.
Note: Your glove fit should have a bit of room as they will form a fit to your hand with use!

To double-check your glove size use a tape measure to measure the circumference of your hand then use the chart on the right to ascertain your glove size.
